Dear Dean Simon,

...

As you know, Bishop Charles would like the deacons of the Diocese to give a brief presentation (30mins) to the clergy of each archdeaconry on the revitalization of the Diaconate as a distinctive Order, and to explore the "Highveld Document" (Diocese of the Highveld adapted guidelines for deacons) prior to Diocesan Synod this year.

To this end, I am making contact with you, on behalf of the deacons, to find out whether a Saturday morning before 10am on a date scheduled for the Deacon's meeting at the Diocesan Admin Block would prove suitable. The dates are as follows: 13th February, 14th May. If not please advise alternate days and dates. I have attached two documents to be made available to your clergy. They will form the basis of the discussion.

We look forward to meeting with you and your clergy.
Thank you.

Grace and Peace,
Gwynne (083 2299984)
