Dear Archdeacon Masakela,

As you know, Bishop Charles would like the deacons of Diocese to give a brief presentation (30mins) at each archdeaconry on the revitalization of the Diaconate as a distinctive Order, and to explore the "Highveld Document" (Diocese of the Highveld adapted guidelines for deacons) prior to Diocesan Synod this year. To this end, I am making contact with you, on behalf of the deacons, to find out when you schedule your Chapter meetings, dates and times, and when it would be most suitable for us to present to you. I personally do live quite far away, so I am trying to fit in as much as possible around dates when I am at Diocese.

I have attached two documents to be made available to those attending Chapter. They will form the basis of the discussion.

We look forward to meeting with your Chapter at a convenient time. Thank you.

Grace and Peace,
Gwynne (083 2299984)
