Subject: FW: Motion from PSC 2018 regarding Distinctive and Permanent Deacons

Dear Gwynne

Greetings. His Grace thanks you for your email. The Commission was not set up In view of this we would suggest that you present a Motion at Prov Synod asking on progress and/or requesting an urgent response post Prov Synod. Another way forward would be to forward your request to the Prov Synod Advisory Committee but given that the deadline for submissions has passed it may be held over. Please also bear in mind that Prof Barney Pityana's COTT Commission has incorporated most of the theological issues in ACSA, so you may want to make a submission when he speaks to the COTT Commission at Prov Synod.

Do let me know how you wish to proceed.

Kind regards

Horace
