Subject: RE: Motion from PSC 2018 regarding
Distinctive and Permanent Deacons

Dear Gwynne

Greetings from the Anglican Consultative Council meeting in Hong Kong (hence the delay in responding)

Thanks for your email. You were invited to PSC with a right to speak but not vote so not sure who told you that you could not present a Motion at PSC. Be that as is may, you may prepare your Motion and forward it to me before 8 June so that it can be included in the 2nd Agenda Book.

Thanks and regards
Horace
